

An Action Packed Term 3

Dear Parents,

Many thanks for all your support this term. We are very mindful parent access has been limited due to Covid-19 restrictions and it is not how we would have wanted it. Our key aims for term 3 were to try and make School as normal as possible for your children, to provide the best education we can and to make education as interactive an as accessible to all.

We have created this newsletter to provide you with a snap shot of some of the fun events your children were part of. Many thanks to the PTFA who helped fund some of our special days.

We would like to wish Year 7 farewell and best wishes in their new journey in education.

Don't forget, throughout the summer holidays pupils can access Mathletics and Purple Mash as well as the Reading Summer Challenge at the local library.

We would also like to wish you and your family a lovely summer break. We look forward to welcoming you back in September.
