

Week beginning Monday 6th December 2021

Below is your homework for this week. Please complete the worksheets and ask an adult to check and sign your homework. All homework should be returned to school on Friday in the folder and school bag. Please also return the reading book, spelling book and number facts book on Friday. Reading books will be quarantined on return to school.

Accelerated Reading

Please encourage your child to read books within their Accelerated Reader level at home. Children in Primary 4 should aim to read independently for at least 15mins each night. When they have completed a book please write down the title of the book and the author on a piece of paper and send it into school. Your child will then be able to complete a quiz on the book and earn points.

Unfortunately with Storm Barra due to hit tomorrow the decision has been made to postpone tomorrow's Forest School session. The session next week will hopefully continue and a new date will be arranged for a second session.

Many thanks

Mrs Elliott and Miss Burton
